SECTION 6: EMERGENCY CLAUSE

The Brookland City Council has an obligation and responsibility to insure that city council wards are of substantially equal population that will serve the public's best interest. The 2014 Special Census block data shows that certain populace growth has changed the population in the current wards. Therefore, an emergency exists because the balance of the population does not represent the populace of the city equally and fairly.

PASSED AND APPROVED THIS 12th DAY OF October, 2015.

Kenneth D. Jones, Mayor
